

For Immediate Release

**Statement about a runner incident
at the Standard Chartered Hong Kong Marathon 2024**

HONG KONG, 21 January 2024 – Hong Kong, China Association of Athletics Affiliates (HKAAA) and Standard Chartered Bank (Hong Kong) Limited express their deepest condolences to the family of a male runner who was sent to the hospital as he felt ill in the Tin Hau MTR Station after completing the Half Marathon at the Standard Chartered Hong Kong Marathon today and subsequently passed away. The Organiser is contacting his family according to the information provided by the runner to understand their needs, and is ready to provide them with suitable assistance.

The Organiser reminds all runners to closely monitor their post-race physical condition and allow themselves recovery after the race.
